

UnitedHealthcare and You

United in Direction • United in Effort • United in Success

At UnitedHealthcare, we're committed to working with brokers to create invaluable relationships and extraordinary results. For years, we've been a national leader with innovative solutions that have helped shape the health care industry. Now we want to use that innovation to strengthen our broker relationships and become an even better partner for you. Here's what we're doing in North Carolina to make this goal a reality:

Our Commitment to Brokers

We work with you to meet your goals

- With programs like United in ExcellenceSM
- Incentive Compensation Programs
- Bonus Programs
- Online Administrative Tools
- Enhanced Services
- Special Rewards for High Producers

Flexible Solutions for Every Employer

Better and more convenient tools and resources

- United eServices - providing real-time benefit management and on-line quoting
- Additional features being added throughout the year

Growing Our Business Together

Broad range of plan offerings

- Choice Plus, PPO and Managed Indemnity
- Single-site and Multi-site
- Dual Option

UNITED
IN
ExcellenceSM

Great possibilities
lie ahead.
Unprecedented
success is within
reach. Now more
than ever,
UnitedHealthcare
and our distribution
partners can
truly be "United
in Excellence."
