

From the Presidents Desk...
Dean Holmes - TAHU President

What a way to end the chapter year! The June meeting agenda was packed and attendance was high as we rounded off an unforgettable year in our industry.

Awards – we recognized two very special members for their contributions to our chapter in 2009-2010. Spark Plug Award: Toni Langley, and Member of the Year: Liz Gutierrez Gallops.

Public Service – Dr. Keith Amos of UNC Lineberger Cancer Institute, the designated beneficiary for our upcoming golf tournament, gave us an update on the fine work they are doing in cancer research.

New Board – special guest Hughes Waren did the honor of swearing in our new board, led by incoming president Liz Gallops.

Health Care Reform – Triangle member Teri Gutierrez did an outstanding job of reviewing for us where HCR is right now and the prospects of where it is going.

Also I would like to thank BCBSNC for sponsoring our meeting.

It has been an honor serving as Triangle president this past year. We have a solid legacy of leadership in this chapter that makes it fairly easy for someone like me to step into the role. I want to thank the members of the board for their hard work and dedication, and for serving with good cheer!

It's more important than ever to be involved in our association. Take small steps now to attend meetings and events, serve on committees, etc. Your membership is valued and appreciated, and TAHU is a great way to face the challenges in our industry together and have fun at the same time!

Membership is Up!
Liz Gallops - President Elect

Thank you to everyone for your help with membership this year. I am very proud to say that we ended the year +3 members. This is a wonderful number considering the recession and attacks on our industry this year. I encourage everyone to maintain their membership this year, even in the face of change. NAHU is working very hard on our behalf to preserve the role of the agent and shape the implementation of the all the rules and regulations associated with the new bill.

Please ask your colleagues and office mates to join as well. We all have a stake in keeping the agent role alive.

Finally, I would like to invite anyone interested to attend the annual board training, and strategic planning. It is open to all members and will take place on the afternoon of June 23rd. Please email me for directions. liz@ibs4me.com

Rufus Langley - TAHU Law & Legislation Chair

We have a big election coming up November 2, 2010. In this General Election we will elect all of our House Of Representative members and a Senator. Also, many of our N C State offices are up for election. You can participate in a candidates efforts financially or volunteer to make calls, put out signs, host dinners and may other activities. No matters who you support get involved. Should your candidate get elected they will remember your support and your access to them is enhanced. Additionally, the feeling you get is very rewarding. It is not to early to get involved so call those you want to help and ask them how you can support their candidacy. The saying that "All Politics is Local" is as true as ever.
